EDUCATION

Masters in Cybersecurity Operations

Bachelor in Interactive Media

University of Maryland Global Campus, Current

University of Georgia, 2019

CERTIFICATIONS

Certified in Cybersecurity

ISC(2), Current

PROFESSIONAL EXPERIENCE

IT Architect Specialist

Atlanta Public Schools | 2023

- Created dynamic data visualizations using **Prometheus** and **Grafana** with **PromQL** to monitor critical systems and devices.
- Collaborated with security engineers and technicians to troubleshoot and resolve district-wide outages, ensuring resolutions.
- Managed Ansible playbooks in **GitLab**, overseeing code repository operations to streamline deployment processes.
- Led monthly Change Control meetings, documenting system changes and maintaining process integrity via **Nimbus**.

SOC Analyst

Atlanta Public Schools | 2024

- Developed advanced **KQL queries** and designed phishing simulation training to improve SOC response capabilities.
- Crafted workflows and activity sheets for Tier 1, Tier 2, and Tier 3 SOC analysts, refining incident response strategies.
- Proactively monitored and responded to security incidents within **Microsoft Defender**, resolving an average of 25 incidents per day.
- Enhanced SOC operations by implementing comprehensive risk assessments and creating incident response plans.
